

# Position Open

**Faculty Position  
Graduate Institute of Brain and Mind Sciences  
College of Medicine  
National Taiwan University  
Taiwan**

Several faculty positions are available for applicants specialized in molecular and cellular neurobiology, systems neuroscience, cognitive science, computational neuroscience, or related clinical sciences. Candidates with excellent track records in fields related to brain and mind sciences are all welcome to apply.

Candidates should hold a Ph.D. or M.D. / Ph.D. or Sc.D. degree with at least 1-year postdoctoral experience and have demonstrated achievement in their fields.

The successful candidate will be expected to develop a dynamic and collaborative research and teaching program in the well-equipped institute.

Applicants should submit (**by post and E-mail**) a Curriculum Vitae with a list of complete publications, a photocopy (or PDF) of Ph.D. or Sc. D. diploma, one to three representative published articles, a description of current and future research and teaching interests.

Besides, three letters of recommendation should be sent to Professor Sung-Tsang Hsieh **by post** by May 31<sup>st</sup>, 2013.
